

Blueskies Communications @ Sun Bay Apartments *Cable Television & Internet Services*

Cable Television and Internet services at Sun Bay are offered by Blueskies Communications an independent company not affiliated with any other television or Internet provider. Hooking up is easy! Just check the services you want below and leave a check or money order for the correct amount. Generally, we will provide same day hook-up but it is best to drop off your payment by 1:00 pm Monday through Friday.

For Internet you will need to have a **Cable** Modem. Any brand will do as long as the Modem is a DOCSIS 2.0 [NO DOCSIS 3.0] The DOCSIS version will be written on the box or on the modem itself. Every modem has a MAC address and we will need this 12-digit code (letters and numbers) in order to configure your access to the network.

DO NOT PURCHASE A V.3.0

All of the charges below are monthly except the account setup, which applies to new service only. Your bill is due the 1st of every month. A late fee of \$5.00 accrues automatically beginning the 5th of the month and increases by \$5.00 every 5 days thereafter. Internet service will be disabled on the 11th of the month for non-payment. On top of your accumulated late fees there is also a \$5.00 re-connect fee.

This is NOT a wireless system. If you want wireless inside your apartment you will need to buy a wireless router and you are responsible for setting up, configuring, and maintaining your own router.

****NOTE: We do NOT come inside your apartment to do any hookup. You perform your own inside installation.****
